

The Canyon Lake Gorge

Dear Prospective Member/Volunteer,

The Gorge Preservation Society is a non-profit organization whose mission is to promote the enjoyment and conservation of a unique natural phenomenon called the Canyon Lake Gorge, by encouraging responsible, quality access opportunities through academic partnerships, economic initiatives and citizen involvement.

Along with the Guadalupe-Blanco River Authority and the U.S. Army Corps of Engineers, the GPS is dedicated to developing long-term plans for the Gorge. If you are interested in joining this unique organization, please fill out the membership form below (*make checks payable to Gorge Preservation Society*) and mail to the address below. Your contributions will go toward making the Gorge a destination location for all to experience. You will receive our e-mailed newsletters updating you on development plans, scientific research and volunteer opportunities.
